TREASURER’S REPORT

RE Bob Boehmler, treasurer, reported. He said that 2017 ended well, and he was appreciative of staff support from Stewart and Kenneth Rich. Detailed financial reports were in the late packet. Total budget income was \$5,600 below anticipated, but no movement from investments was made, and in 2018 no movement is predicted. 4% spend rate is in place. Mission acceptance from congregations was fulfilled. 75% of Presbytery’s revenue comes from churches. Interest income exceeded predictions on investments. Expenses of \$737,100 showed a favorable variance. Several groups spent less than was budgeted, and that was appreciated. Update on investment fund at Texas Presbyterian Foundation was favorable. He remarked on market volatility which may continue into 2018 for correction. This investment is over 5-6 years and anticipates good return. He invited questions. Moderator lit the Christ candle here.

REPORT OF THE ADMINISTRATION MINISTRY AREA

RE Jan Enke, moderator, gave the report, written version of which follows.

During 2017 Administration Ministry oversaw the reviews of the Presbytery staff including the exit review of Britton Varn. Britton was presented an appreciation check of \$200 for her 5 years of part-time service at the end of her review.

Hannah Lahodny has replaced Britton as Temporary Staff Resource for Youth and Young Adults. Hannah also serves on the staff of Ferncliff. Administration is currently reviewing the insurance of the presbytery.

In the planning of the 2019 Budget of the Presbytery of Arkansas, Administration will be holding a budget request meeting where the moderators are to come with their Dream Plans of their missions for 2019 and the budget required for their plans. This will be held in September with more information to be given on the exact date and place. This is to get the budget into a realistic figure. Administration also encourage committees to dream in the areas of the future and high energy of the church as a whole in their planning for 2019. GP Smith left the room before vote on his terms.

Motion to approve the terms of call for General Presbyter MWS Stewart Smith for 2018:

Salary:	\$40,800.00
Housing:	\$38,700.00
403(b):	\$5,000.00

Full Medical, pension, death & disability coverage through the Board of Pensions (“Member + Children” medical coverage).

SSI Reimbursement: \$6,196.00
Professional Expenses: \$15,000.00

Motion to approve the 2018 Budget for the Presbytery of Arkansas totaling \$781,529, a decrease of \$23,801 from the 2017 Budget. (See appendix for detailed budget.) **MOTION WAS APPROVED.** She invited all congregations to notify the presbytery staff of their pledge for 2018.

ANNUAL REPORT OF THE GENERAL PRESBYTER: STATE OF THE PRESBYTERY

MWS Stewart Smith, General Presbyter, reported.

He thanked the Presbytery for his call. He recalled a meeting of GPs and his need to share the realities of PC(USA) and Presbytery of Arkansas. He misses Britton Varn who left in January. He introduced Hannah Lahodny, temporary staff for youth and young adults, and gave her background, availability after hours by cell phone (4-8 on Tuesdays) or email hlahodny@gmail.com without availability in June and July. He updated commissioners on lawsuit by Woodlands, HSV, a New Church Development financed by multiple parties.

Challenges as a presbytery include: over ½ of our congregations are of a size not able to call fulltime pastors, congregational membership decline results in financial decline, perhaps a big donor dies, and now there is the problem of finding part-time PC(USA) ministers. Declining resources of finances, active ministers, elders from some certain corners numerically declining, people doubling up by serving on both committees and ACs are more challenges. These prompt the question of how do we allocate limited resources: to those that are declining or those who are able to survive applies to congregations as well. Presbytery allocations have remained stable, and money hasn’t really been changed to deal with 2016 restructuring. Compared to other presbyteries, we are in better financial shape. Question is who makes decisions on moving funds and hiring or reducing staff. Do we need to change the way we have always done it?

There are success stories: United Campus Ministry boasts 4 YAVs, 6 to seminaries, but their budget has not been increased in years. YAVs at Ferncliff are not supported by budget. Do you reallocate budget for places with energy? We need to think about all of this. Administration wants realistic plans for 2019 for budget. They want to remove transfer from investments. Those are the challenges. Now that he has the bigger picture than he had in a solo pastorate, how do we reach out? Christianity can be ridiculous: have we hidden our lamp under a bushel?

As pastor, balance welcoming and inclusivity is an opportunity. We can't expect our members to repopulate the church. We have to reach out to those beyond the Presbyterian fold. People will embrace our message.

REPORT OF THE PRESBYTERY'S TASK FORCE ON STAFF DESIGN

Members of the Task Force, moderated by Presbytery Vice Moderator MWS Leslie Bethell Roper, reported. History of TF: Feb., 2017 motion was approved to look at staffing needs, does staffing meet our needs, and what the needs and authority were. They appreciate

Administration's work in personnel. TF's job was not to look at what was or was not happening now but what would be needed in five years. They took individuals and personalities out of their deliberation. They looked at other presbyteries' staffing and what we could incorporate. They did historical research on how current staff came to be. Britton Varn's departure offered another conversation, and TF spoke individually with all staff. Roper introduced another member of the TF, MWS David Dyer, and two who were absent, REs Kelly Pearson and Julie Adkisson, and invited questions and comments. Tellers distributed a single page on current staff structure and three proposed alternatives and asked for input by May 1 so they can bring recommendations by June presbytery meeting. She invited questions. (Options are in appendix)

REPORT OF FUTURE OF THE CHURCH MINISTRY AREA

Ministry Area moderator RE Ted Belden gave the report, quoting three points from Julius "Dr. J" Erving related to our work: our best days are ahead, we only fail if we quit, God is in control. Belden gave details of grants available from their ministry area as follows:

Included in the packet are grant forms and guidelines that the Future of the Church Ministry Area worked on last year that will be used in 2018 to receive and help process grant requests. If your church wants to start a new program and needs financial support to make it happen, then please fill out the form and ask for some money. The Future of the Church (FOTC) Ministry Area is accepting one-year proposals for the development of a program, opportunity, institutional structure or possibly facility improvement(s) that revitalize or extend your ministry to new populations or communities and/or grow existing congregational vitality and mission. Grants will generally be in the \$2,000-\$5,000 range with the opportunity to renew up to 3 years. The committee has allocated \$25,000 for grants this year. Application guidelines and forms will be sent to your session moderator and clerk and available until April 15. If you have any questions, please contact Ted Belden, moderator of FOTC, at TedBelden@aol.com. (See appendix for grant application.)

He introduced MWS Jeremy Wilhelmi and two of 29 college students who attended Montreat College Conference in January, Allison Mundy and Bax Yarbrough, all of whom thanked FotC for funding help for their group transportation.

REPORT FROM POLITY COMMITTEE ON THE OVERTURE

Vice Moderator Stricklin moderated this part of the meeting. Polity Committee member MWS Elizabeth Gabbard gave the background on the proposed Overture to General Assembly from Barr Memorial, Norman; referral voted by presbytery in October that resulted in polity committee's conversation with Session with Barr Memorial, Norman; and the background of Johnson Amendment.

MOTION TO CONCUR WITH THE FOLLOWIING OVERTURE TO THE GENERAL ASSEMBLY FROM WESTERN NORTH CAROLINA PRESBYTERY: The Presbytery of Western North Carolina overtures the 223rd General Assembly of the Presbyterian Church (USA) to amend G-3.0104 of the Book of Order to include the following statement: "No congregation, session, presbytery, synod, or national office of the PC(USA), nor any individual acting on behalf of or in an official capacity for the above institutions, shall publicly endorse or oppose or otherwise encourage or discourage others to vote for or against an individual running for public office" was made by Commissioner Noah Williamson, and was seconded.

MWS Phil Butin spoke against motion, RE Mary Beth Lysobey spoke for the motion, MWS Dari Rowen **moved to call the question. Motion on calling the question failed.** MWS Wilhelmi spoke against the motion (Johnson not yet revoked, "official capacity" and "otherwise discourage and courage" language is unclear), MWS Garlington, HR said he is of mixed mind and hopes that Presbytery would make a statement of believing in separation of church and state. RE Joseph Yancey, First, NLR, pointed out that if this were added to Book of Order, commissioners would have been out of order during the Theological Discussion this morning, MWS Purcell spoke in favor of motion (polity allows disagreement and does not constrict as presented). Temporary Stated Clerk Belden said she had just learned another presbytery has concurred with this overture, making the motion for Arkansas' concurrence not as pressing. MWS Hadley said that in a small town, minsters are seen usually as speaking for their church. MWS Ruskin Falls spoke against concurrence, fearing the church is moving away from worship focus and recalled the Theological Declaration of Barmen. RE Williamson spoke again in support of his motion. **MOTION TO CONCUR WITH OVERTURE FROM WESTERN NORTH CAROLINA PRESBYTERY FAILED.**

REPORT OF THE MISSION OF THE CHURCH MINISTRY AREA

MWS Jan Butin, member of the ministry area, gave the report in absence of Moderator Pearson. She noted from written report: Grant to Lyon College’s Brown Chapel renovation, delay of mission trip to Houston, congregational grants available to most vulnerable, The PLACE on “Changing Face of the Church” April 7 in Fayetteville and August 4 at Second, LR. The April 7

workshops at The PLACE include: active shooter, special needs children, social media, growing young, college students at UCM, Hispanic culture, Canopy over world, memorable worship points and presenting the word plus Clerk Training.

For Information following written report was presented in packet:

The Mission of the Church Ministry-Area is happy to report that 2017 was a very active and fruitful year. Many grants, some smaller than others, were made to various ministries within the bounds of the presbytery and a few beyond. The ministry-area is blessed with committed individuals who accept their responsibilities with enthusiasm and a clear sense of purpose. This service to Christ through the 'larger church' has resulted in a number of individuals being helped to attend last year's NEXT Church and Big Tent, both within driving distance. Also several evangelism grants were authorized to assist congregations with remodeling of their websites and signage.

Meanwhile, support to Lyon College, the University of the Ozarks, Vera Lloyd, Ferncliff Camp and Conference Center, Arkansas Interfaith, Presbyterian Village, Arkansas Presbyterian Pilgrimage and Solar Under the Sun was maintained. And we continue to hold these ministries, not only in our financial giving, but in our hearts and prayers. While the dollar amounts may appear rather insignificant in some instances, we have wanted to keep a Presbytery of Arkansas connection.

At the end of 2017, the Ministry Area was able to grant \$5,000 to a request of Lyon College to assist in the remodeling of Brown Chapel. While the specific purpose of the grant has not been finalized, we desired to show Lyon College the Presbytery's appreciation for the college's commitment to higher education and its spiritual influence on the minds and hearts of young women and men.

The Mission of the Church met on January 11th to begin its responsibilities for 2018. Indicative of the ministry-area's commitment level, attendance was 100% for this meeting.

Clarity has been given by the Temporary Stated Clerk, MWS Leslie Belden, on the Honduras Ministry Subcommittee as a "permanent" subcommittee, and the Ministry Area's relationship. The need for a covenant, alluded to at the October Presbytery Meeting, has been determined unnecessary. Meanwhile, the Ministry Area, along with the Presbytery at-large welcomes the reporting of the Presbyterian missional-endeavors in that Central American country (a report is included in this packet).

We continue to be apprised and pleased with the work Christ is doing through the Presbyterian Women of Arkansas. The Cents-Ability Offering of 2018 will be divided three ways as follows: Local--the Arkansas Community Soup Kitchen in St. Francis County--led by Graham Memorial Presbyterian Church, Forrest City; National--Southeast Texas Food Bank--to assist with feeding individuals and families which sprang as a need by Hurricane Harvey; International--A Miracle Porridge--to assist with a feeding program in the Congo of many malnourished children, that also teaches mothers of these children how to make the porridge.

This year the Mission of the Church Ministry Area has set aside a line item of \$5,000 as a block of funds to assist Ferncliff Camp & Conference Center on missional enterprises when requested. This allows the Ministry Area and Ferncliff to know what amount remains available for present or future grant requests. This sum is in addition to the Summer Program Support (Mission of the Church Ministry Area) and the General Site Support (Administration Ministry Area).

What may be the most exciting thing(s) for the presbytery in 2018 is having “two” of The P.L.A.C.E., that is, there will be a NWA event on Saturday, April 7th, at First United Presbyterian Church, Fayetteville, from 9:00 to 1:00. Then with some overlap of presenters and topics, though not completely, The P.L.A.C.E. CNTRL, will be held on Saturday, August 4th, at Second Presbyterian Church, Little Rock, 9:00 to 1:00. This year’s events will be without meals, though fellowship at restaurants is being advocated for follow-up discussions. This new double-approach offers individuals of our churches, leaders and non-leaders, to participate not only in one such event, but two, if so desired. STAY TUNED.

A Mission Trip to the Houston Area is being considered, similar in fashion to our past assistance to hurricane-struck areas where Presbyterians, from Arkansas and other states, have ministered by making home-repairs up to two or three years afterward. STAY TUNED. The ministry-area will begin utilizing ZOOM (video conferencing) for some of its future meetings.

Congregations are encouraged to submit grant requests for this last year of three of the Unified Mission Emphasis: helping the “*most vulnerable of the very young and old.*” If you have some project to launch or one to keep afloat, consider applying for a grant of up to \$500 with Mission of the Church. This may be done by emailing: ktpearson@suddenlink.net. Include in the request: the purpose of the program/project, proof of Session approval, the overall cost of the ministry, the amount desired for the grant, and how the grant money, if received, would be utilized, as specifically as possible.

The Mission of the Church Ministry Area will recommend to the Coordinating Team that they designate the offering recipient at the June 2, 2018 Presbytery meeting as the Presbytery’s Youth Advisory Team to assist with presbytery-sponsored summer trips for our youth. Continue please to hold the work of these ministries in prayers.

REPORT OF THE SUBCOMMITTEE ON DISASTER PREPAREDNESS AND RESPONSE

MWS Ike Brighton, HR, moderator of the subcommittee, was absent, so Subcommittee member RE Liz Branch spoke. She thanked the presbytery, announced individual subcommittee members were contact for each region, disaster contact is needed in every church, members will call every church for information, money from OGHS supports Disaster response, they appreciate budget support for the subcommittee. Subcommittee contributed in Pocahontas after flooding, rely on national organization for PDA team to come visit after flooding, retreat for pastors and caregivers to avoid burnout, and her report on registration table (song on “Be Prepared”).

For Information Brighton submitted written report as follows:

The DPRS recently bought and designed a portable display board to work with our 'booths' at Presbytery meetings or any presentations by members of the sub-committee. It is also available for other Presbytery committees for their use. Contact Ray Stephens if you would like to use the board.

Arkansas Voluntary Organization Active in Disasters (ARVOAD) are putting together a bid for a grant for the state that will fund support for children's needs after disasters. They asked the DPRS to write a letter of support for their grant. We approached General Presbyter Stewart Smith to sign a letter of support for ARVOAD.

The DPRS staffed a booth during the Forrest City Presbytery meeting and were able to distribute approximately 100 emergency cleaning buckets to many of the churches attending. We want to thank everyone for their support in this effort for those involved with the spring and fall flooding.

It was reported to the committee that Presbyterian Disaster Assistance (PDA) approved a request by DPRS for \$7500. After receiving the check, DPRS forwarded the money to the Randolph County Recovery Committee to assist in home repairs and replacement from the spring floods. Reports were received on the flooding in McGehee and Lake Village floods from 2016. Both towns were completing their home repair and replacements.

It was decided that the DPRS would participate in the PLACE next April in NW Arkansas and August in Little Rock and present a workshop on "Single Active Shooter."
